

Some of the tastiest real estate ever.

When your family has fought fires for over 200 years, you learn a thing or two about satisfying a firehouse full of hearty appetites. That's why, at Firehouse Subs, we only serve top quality deli meats, exceptional cheeses, and the freshest veggies, all on the best tasting sub roll you've ever tasted. That's also why we've grown to over 400 locations so quickly. After all, if we wouldn't serve it to a firefighter, we wouldn't serve it to anybody.
